

NUMBER

Playdough Mats

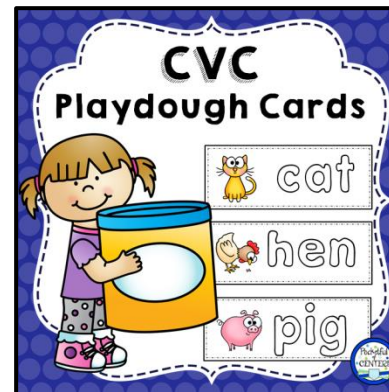

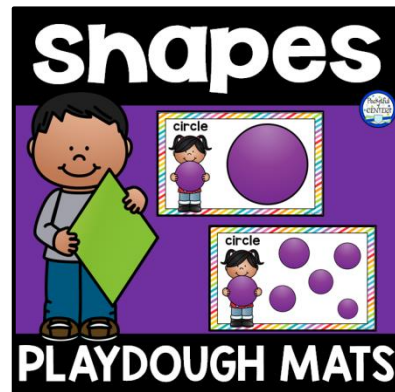

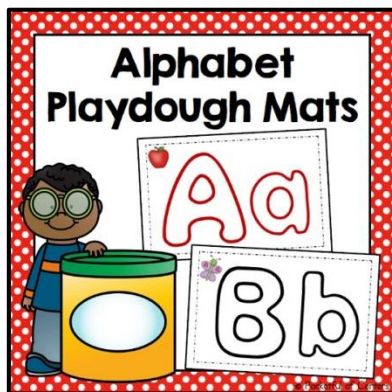

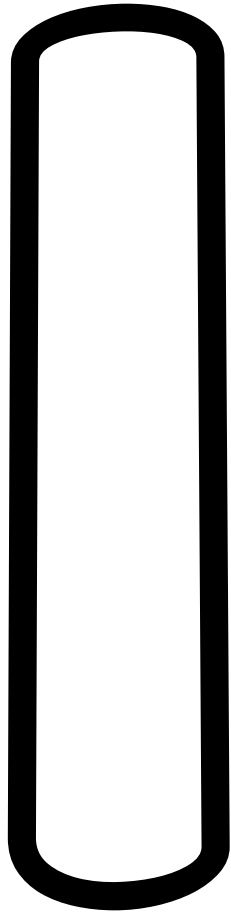

ABOUT THIS PRODUCT

Kids love playing with playdough and it is great for strengthening their fine motor skills! To prepare this activity, print, cut and laminate the cards. Place the cards and playdough in a center. Instruct the children to roll the playdough into a “snake” and then place it on the mat to form the number. Next, have the children roll the playdough into balls to place in the ten frames.

This activity is perfect for morning tubs!
